Les Perles par Puca®-Paris

Photo Tutorial

Materials :

- 67 Volos® par Puca® Mismash Collection, Les Perles par Puca®- Paris
- 34 Arcos® par Puca® Transparent Constellation Colle, Les Perles par Puca®- Paris
- 10 Piros® par Puca®, Les Perles par Puca®- Paris
- Miyuki 15/0 Seed beads (SB15)
- Miyuki 11/0 Seed beads (SB11)
- Miyuki 8/0 Seed beads (SB8)
- Flexible needle
- 0.12 mm FireLine
- 1 Chain, 2 Jump rings and 1 Clasp of your choice

1) Thread a stop bead onto your thread, then repeat the following sequence 10 times :

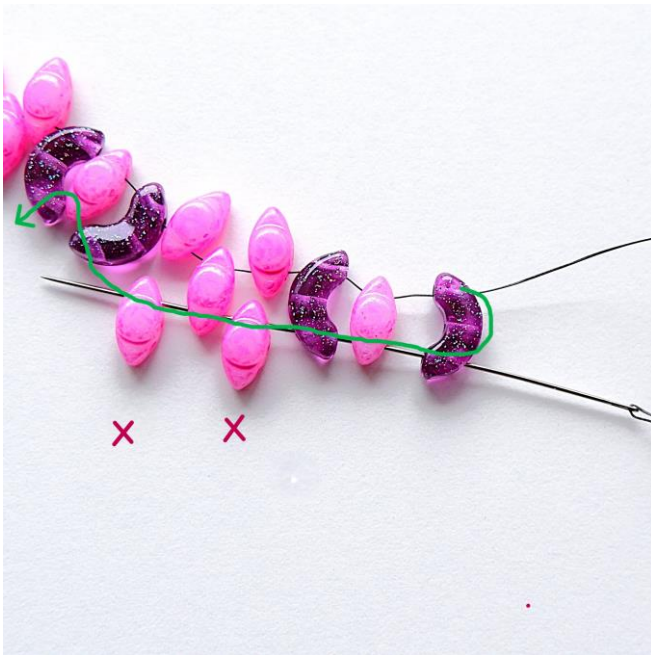

- 1 Arcos lower hole
- 1 Volos lower hole
- 1 Arcos lower hole
- 1 Volos upper hole
- 1 Volos lower hole
- 1 Volos upper hole

2) Finish the row with :

- 1 Arcos lower hole
- 1 Volos lower hole
- 1 Arcos lower hole

Here is the result.

3) Turn your work over.

Pass the thread through the Arcos, Volos and Arcos.

Add 1 Volos (upper hole) through the lower hole of the Volos, then add another Volos (upper hole) through the next Arcos, Volos and Arcos.

Continue in the same way all along the row.

4) Turn your work over.

Bring the thread out HERE (arrow).

Add 3 SB15 through the lower hole of the Volos.

Then repeat the following 9 times :

Pass 1 Piros (upper hole) through the Volos then Insert 6 SB11, 1 SB8 and 6 SB11, and pass through the next Volos.

At the end of the row, finish by adding 3 SB15 through the Arcos.

5) Bring the thread out HERE (arrow).

Insert :

- 3 SB15 through the upper hole of the Volos
- 1 SB8 between the two Volos
- 3 SB15 through the next Arcos

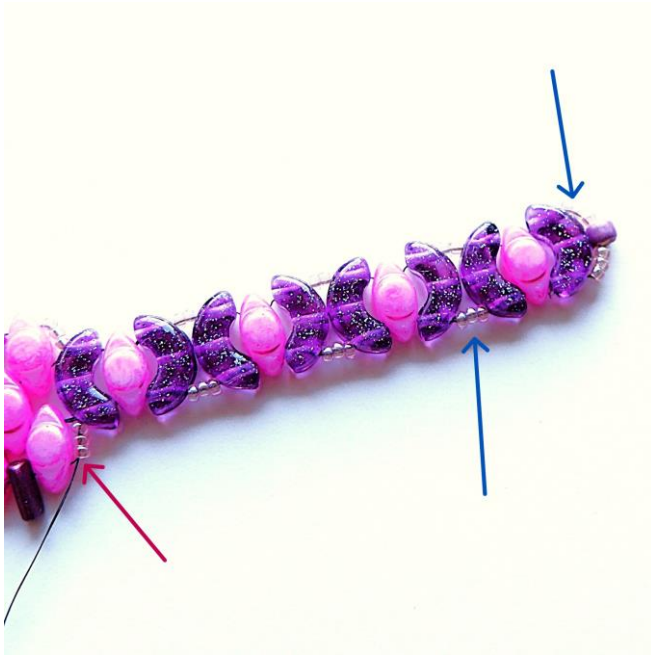

Pass through the next Volos and Arcos, then repeat Step 5 all along the row.

6) The thread is now exiting at the right end of the necklace.

Repeat the following sequence 3 times :

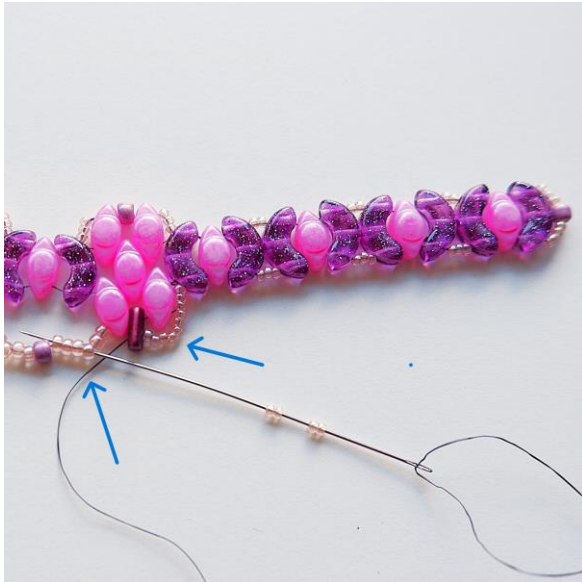

- 2 SB15
- 1 Arcos upper hole
- 1 Volos upper hole
- 1 Arcos upper hole

7) At the end of the row, insert on the Arcos :

- 3 SB15
- 1 SB8
- 3 SB15 then add 3 SB15 between each pair of Arcos.

Bring the thread out HERE (red arrow).

8) Insert 7 SB15 through the lower hole of the Piros.

Then insert 4 SB15 through the 4 SB11 preceding the SB8.

9) Insert 3 SB15 beneath the SB8, then pass through the next 4 SB11.

Continue by repeating the following sequence all along the row :

- 4 SB15 through the Piros
- 4 SB15 through the 4 SB11 preceding the SB8.
- 3 SB15 beneath the SB8, then pass through the next 4 SB11.

Repeat to the end of the row.

10) Finish the row by Inserting 7 SB15 through the 3 SB15 HERE (blue arrow).

Bring the thread out HERE to work the left side of the necklace as a mirror image.

Repeat the following sequence 3 times :

- 3 SB15
- 1 Arcos lower hole
- 1 Volos lower hole
- 1 Arcos lower hole

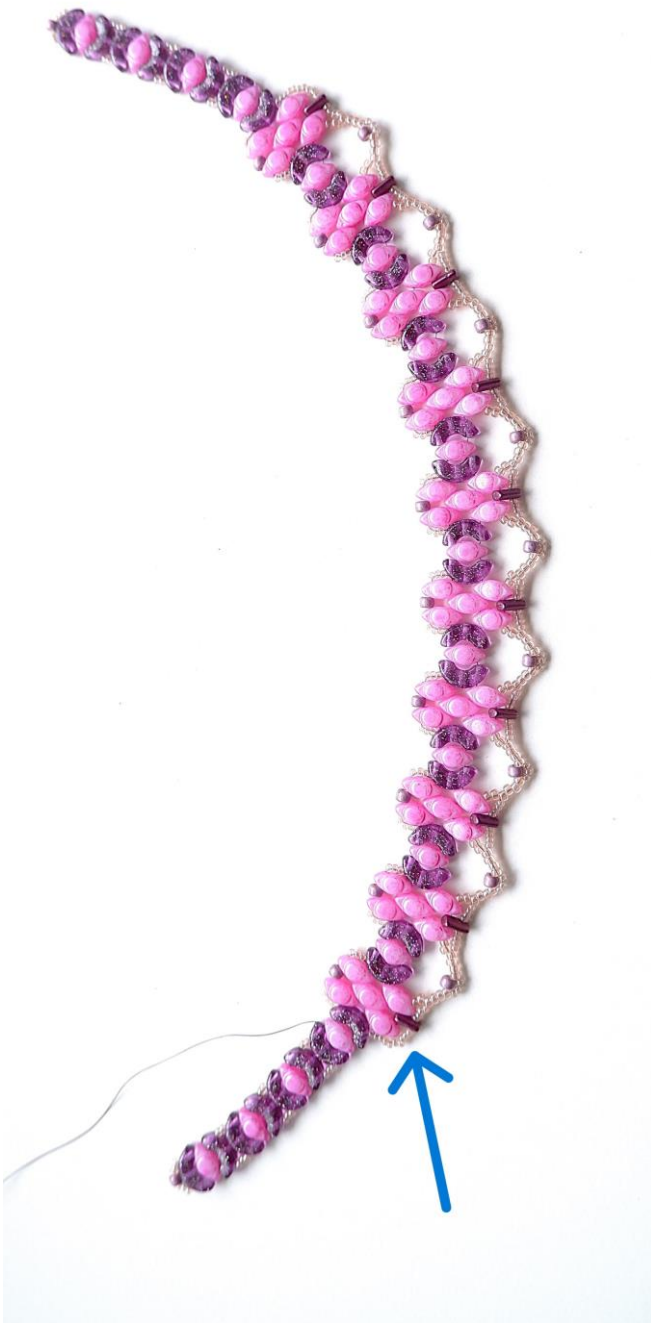

At the end of the row, insert on the Arcos :

- 3 SB15
- 1 SB8
- 3 SB15 then continue by adding 2 SB15 between each pair of Arcos.

Reinforce the thread path.

Attach a jump ring to each end SB8, then add a chain and the clasp of your choice.

Your "Matisse" Necklace is now ready to wear !
