Another colour 😊

Materials:

- 20 Paros® par Puca®-Paris
- 30 Arcos® par Puca®-Paris
- 10 Kos® par Puca®-Paris
- 12 Piros® par Puca®-Paris
- 1 PLA star base par Puca®-Paris
- 10 round beads, 3 mm diameter (PR3)
- Seed beads 15/0 (R15) and 11/0 (R11)
- 1 cord of your choice, 8 flat-back rhinestones, 3 mm, and 1 flat-back rhinestone, 4 mm.
- Paint and glue
- FireLine 0.12

1) Paint your star.

2) Place 2 Paros between each pair of arms. Tie a knot to hold the Paros securely in place.

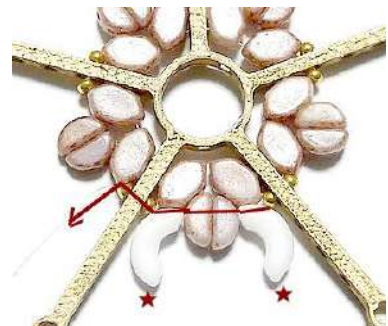

3) Then place 2 Kos between the Paros. Position yourself HERE.

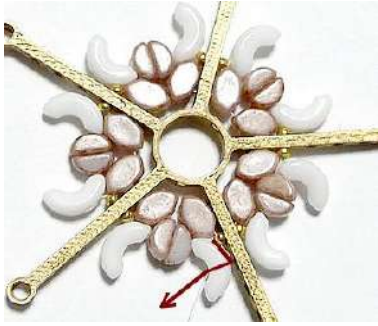

4) Place 1 R11 on each side of the arm. Repeat steps 3 and 4 all the way around.

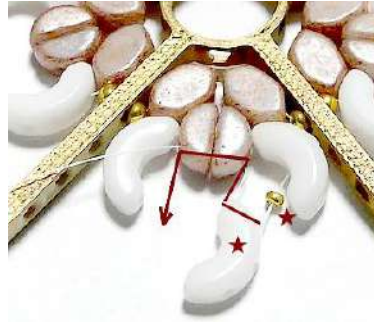

5) You get this 😊. Position yourself HERE in the R11.

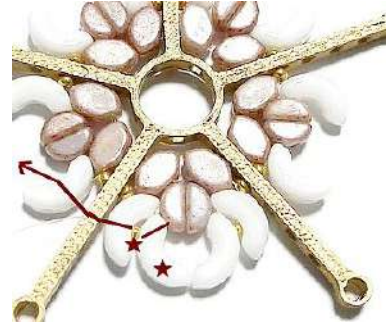

6) Place 1 Arcos through the two Kos and 1 Arcos through the R11 HERE. Continue all the way around.

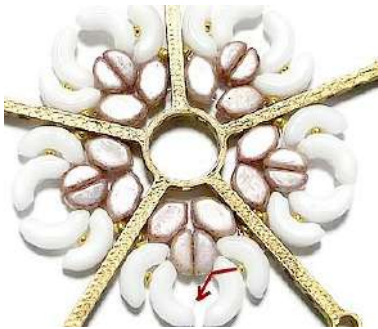

7) You get this 😊.
Position yourself HERE in the middle hole of the Arcos.

8) Place 1 R15 and 1 Arcos into both Kos, in the second hole.

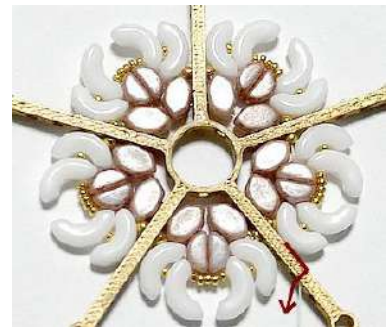

9) Place 1 Arcos and 1 R15 in the middle hole of the Arcos HERE. Then position yourself HERE. Repeat steps 8 and 9 all the way around.

10) You get this 😊.
Position yourself HERE in the Arcos.

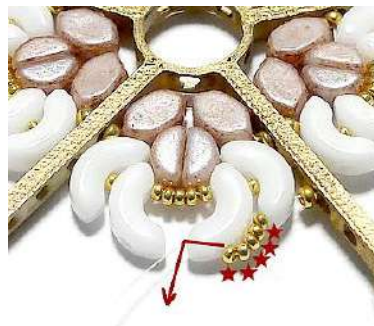

11) Place 5 R15 and position yourself HERE. Repeat all the way around.

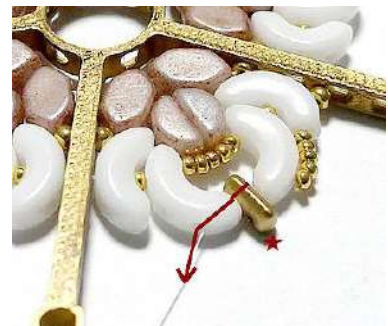

12) You get this 😊.
Position yourself in the arm (next hole).

13) Place 1 R11 in the Arcos.

14) Then place 5 R15 in the next Arcos HERE.

15) Place 1 Piro in the next Arcos.

16) Place 5 R15 in the Arcos, then 1 R11 in the arm HERE. Repeat steps 13 to 16 all the way around.

17) You get this 😊. Position yourself HERE.

18) Place 1 Arcos and 6 R15, pass through the Arcos, then through the R15 HERE.

19) Place 1 Paros in the second hole of the Piroso, then repeat step 18. Continue all the way around.

20) Place 2 R15 in the six R15.

21) Then place 1 PR3 in the Paros, followed by 1 Kalos in the Paros HERE.

22) Then place 1 PR3 in the six R15, and finally 2 R15 in the arm. Repeat steps 20 to 22 all the way around.

23) Next, place 1 R15 on each side of the Kalos (second hole). Continue all the way around.

24) You get this 😊. Secure your thread.

Central piece instructions:

25) Place 7 Piro.

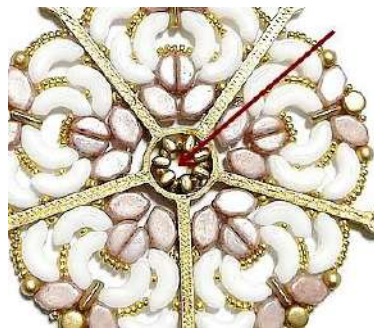

26) Close your work.

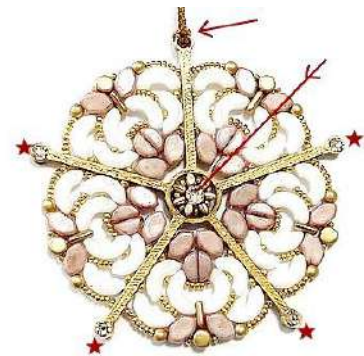

27) Place 1 R15 between each Piro. Then position yourself in the second hole.

28) Place 1 R15 between each Piro, tighten and secure your thread.

29) Glue your central piece into the centre of your star 😊.

30) Then attach your cord and rhinestones to the ends on each side of the star. I glue a 4 mm rhinestone to the central piece, on both front and back 😊.

25) Another colour

26) Another colour.

27) Another colour. I can use PR3 instead of the 3 mm rhinestones 😊.

May this star shine in your home during the festive season 😊
